

Office zoning solutions

Metal shelves

Metal loft-style shelves and partitions is a great solution to keep plants, books. With added magnetic or writing boards they can become a very useful tool for team meetings.

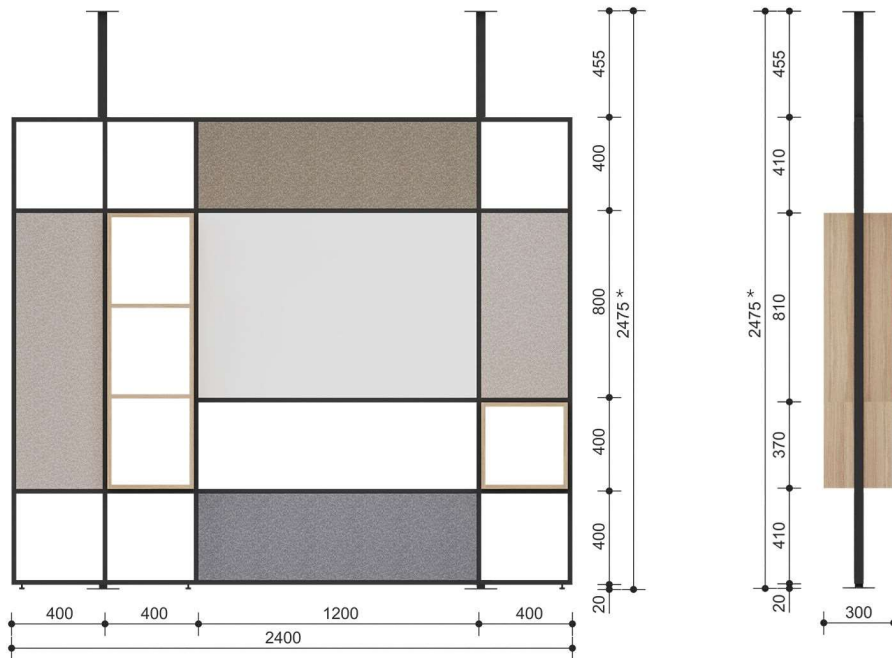

The metal frame provides an opportunity for customized solutions choosing inserted parts to suit your needs and interior style the best. The inserts can be made of PET felt making open space less noisy, shelves to keep tools or accessories neatly put together and boards to make teams' brainstorming more convenient.

CUSTOM-MADE SOLUTIONS
