DESKS

A touch of nature  
in your office!

VONA Wood is a desking system that adds a delicate sense of luxury to your office and brings you closer to nature and home atmosphere!

\* - only 800

# Every table is unique

Wood texture and wide growth rings create a distinctive pattern. Stained and lacquered wood reveals the pattern even more. Natural wood tends to change its colour over time.

You can adapt bench desks consisting of two desks to your office dynamics by using supplementary partitions which allow you to easily increase the number of workplaces.
