Practical approach

One of the greatest advantages of CHOSEN storage units is that they offer a convenient and practical internal layout.

Endless combinations

You can easily create your own unique design by combining different cabinets. Also, a good idea is to combine different types of textures: tapestry, melamine and natural veneer. Choose from a wide range of materials and colors to create desired combinations that will blend nicely into your office.

Wide array of cabinets

The system of cabinets offers a choice from as many as 6 different cabinet heights, 4 options of doors and widths, and even 7 different types of bases. Enjoy a complete freedom to choose the one that suits you best!

You can use acoustic doors, cabinets with sliding doors, cabinets with hinged doors and open bookcase storage.

Metal baseboard or metal legs will be perfect for those who want to create a minimalist office style. Legs made of natural ashwood will bring you closer to nature in a very subtle manner. Castors will make it easy to rearrange office furniture. Each solution can be your best choice.
